

Corresponding author declaration

I hereby declare that the manuscript, submitted to JHR for publication, has not been published before nor is considered for publication in another journal. It is also declared that the manuscript has been approved by all co-authors and institutions employing the authors and/or in which the work has been carried out.

In a case when some tables, figures or text fragments included in this manuscript have been already published, I am attaching the permission of the copy owner allowing using these fragments in this publication.
