

Dear Colleagues,

On behalf of EUCARPIA, Vegetable Section, the Organizing Committee invites researchers and breeders interested in Cucurbitaceae - Genetics and Breeding, to participate in the

**XIth EUCARPIA Meeting of the Cucurbitaceae Working Group
to be held 24th to 28th July, 2016 in Warsaw, Poland**

We hope to see you in Warsaw to share the exciting new developments in cucurbit genetics and breeding!

The meeting webpage with more information on registration, accommodations, and abstract submission will be open soon: <http://inhort.pl/en/cucurbitaceae2016>

On behalf of the organizing committee,

Elzbieta U. Kozik
