

**Editor-in-Chief**

Zbigniew Kołtowski, PhD, Associate Professor  
National Institute of Horticultural Research, Skierniewice, Apiculture Division in Puławy, Poland;  
email: zbigniew.koltowski@inhort.pl

**Vice Editor-in-Chief**

Andrzej Oleksa, PhD, Associate Professor  
Kazimierz Wielki University in Bydgoszcz, Department of Genetics, Poland; e-mail: olek@ukw.edu.pl,  
andrzej.oleksa@gmail.com

**Statistical Editor**

Robert Maciorowski, PhD, Associate Professor  
National Institute of Horticultural Research, Skierniewice, Poland; e-mail:  
robert.maciorowski@inhort.pl

**Technical Editors**

Beata Panasiuk, PhD  
National Institute of Horticultural Research, Skierniewice, Apiculture Division in Puławy, Poland; e-mail: jas@inhort.pl, beata.panasiuk@inhort.pl

Sławomir Machaj

National Institute of Horticultural Research, Skierniewice, Poland; e-mail: slawomir.machaj@inhort.pl

**Section Editors:**

Bee Biology:

Adam Tofilski, PhD, Associate Professor  
University of Agriculture in Krakow, Department of Zoology and Animal Welfare, Poland; email:  
rotofil@cyf-kr.edu.pl

Grzegorz Borsuk, Professor

University of Life Sciences in Lublin, Faculty of Animal Sciences and Bioeconomy, Institute of  
Biological Basis of Animal Production, Sub-Department of Apidology, Lublin, Poland; email:  
grzegorz.borsuk@up.lublin.pl

Bee Genetics:

Andrzej Oleksa, PhD, Associate Professor  
Kazimierz Wielki University in Bydgoszcz, Department of Genetics, Poland; e-mail: olek@ukw.edu.pl

Beata Horecka, PhD, Assistant Professor

University of Life Sciences in Lublin, Faculty of Animal Sciences and Bioeconomy, Institute of  
Biological Basis of Animal Production, Sub-department of General and Molecular Genetics, Poland; e-mail: beata.horecka@up.lublin.pl

Bee Breeding:

Małgorzata Bieńkowska, PhD, Associate Professor  
National Institute of Horticultural Research, Skierniewice, Apiculture Division in Puławy, Poland; e-mail: malgorzata.bienkowska@inhort.pl

Krzysztof Olszewski, PhD, Associate Professor

University of Life Sciences in Lublin, Faculty of Animal Sciences and Bioeconomy, Institute of  
Biological Basis of Animal Production, Sub-Department of Apidology, Lublin, Poland; email:  
krzysztof.olszewski@up.lublin.pl

Pathology and Toxicology:

Paweł Chorbiński, Professor

Department of Epizootiology and Clinic of Birds and Exotic Animals, Faculty of Veterinary Medicine, Wrocław University of Environmental and Life Sciences, Wrocław, Poland; e-mail: pawel.chorbinski@upwr.edu.pl

Maria Michalczyk, PhD, DVM, Assistant Professor

University of Warmia and Mazury in Olsztyn, Department of Parasitology and Invasive Diseases, Faculty of Veterinary Medicine, Olsztyn, Poland; e-mail: maria.michalczyk@uwm.edu.pl

Pollination and Bee Botany:

Zbigniew Kołtowski, PhD, Associate Professor

National Institute of Horticultural Research, Skierniewice, Apiculture Division in Puławy, Poland; email: zbigniew.koltowski@inhort.pl

Marzena Masierowska, PhD, Associate Professor

University of Life Sciences in Lublin, Department of Botany and Plant Physiology, Sub-department of Plant Biology, Poland; e-mail: marzena.masierowska@up.lublin.pl; mlm25@up.lublin.pl

Bee Products:

Sławomir Bakier, Professor

Białystok University of Technology, Faculty of Civil Engineering and Environmental Sciences, Institute of Forest Sciences, Poland; e-mail: s.bakier@pb.edu.pl

Małgorzata J. Dżugan, Professor

University of Rzeszów, Department of Chemistry and Food Toxicology, Institute of Food Technology and Nutrition, College of Natural Sciences, Poland; e-mail: mdzugan@ur.edu.pl

Izabela Jasicka-Misiak, PhD, Associate Professor

University of Opole, Department of Pharmacy and Ecological Chemistry, Faculty of Chemistry, Poland e-mail: izabela.jasicka@uni.opole.pl

Management, Technologies, and Economy:

Jerzy Wilde, Professor

Warmia and Mazury University in Olsztyn, Department of Poultry Science and Apiculture, Faculty of Animal Bioengineering, Poland; e-mail: jerzy.wilde@uwm.edu.pl

Krystyna Czekońska, PhD, Associate Professor

University of Agriculture in Kraków, Department of Zoology and Animal Welfare, Faculty of Animal Science; e-mail: krystyna.czekonska@urk.edu.pl

Solitary Bees and Bumblebees:

Tadeusz Pawlikowski, PhD, Associate Professor, emeryt.

Copernicus University, Toruń, Poland e-mail: pawlik@biol.uni.torun.pl; pawlik@umk.pl

Waldemar Celary, PhD, Associate Professor

Jan Kochanowski University, Institute of Biology, Faculty of Exact and Natural Sciences, Kielce, Poland e-mail: waldemar.celary@ujk.edu.pl

Karol Giejdasz, PhD, Associate Professor

Poznań University of Life Sciences, Faculty of Veterinary Medicine and Animal Science, Department of Zoology, Laboratory of Apidology, Poland; e-mail: karol.giejdasz@up.poznan.pl
